

Curtains by FHA Wholesale

HIGH QUALITY TRENDZ FABRIC RANGE

Sheer • Lining • Blockout • Triple Weave fabrics

Choice of track styles

Our sleek curved design track is suited perfect for ceiling mounted curtains, and our square track design suits all décors, the choice is yours.

Both curtain track styles are available in double tracks.

With the trend towards softening the décor of a room with elegant, contemporary curtains, FHA Wholesale now offer our exclusive 'Trendz' curtain fabric range. 'Trendz' offers a stunning selection of sheers for a sleek and stylish effect that will transform any room, as well as diffusing natural light and maintaining privacy. Layer a beautiful sheer over your blockout blind for a truly sophisticated design.

Our extensive range of blockout and triple weave fabrics will not only block out light but also provide noise reduction and insulation properties. Pair sheers with blockouts on double brackets for the ultimate in contemporary window furnishings.

Choice of curtain headings

Pinch Pleat designs are available in double and triple pleats, also known as 2 pleat and 3 pleats. Pinch pleat curtains offer a traditional elegance to a room.

Wave fold curtains also known as S-fold bring a contemporary look and feel to a room especially with a beautiful sheer fabric, giving a soft ambient touch which is great for living rooms and open plan spaces.

Box pleat curtains, also known as reverse pleat, these are a fashionable curtain style, that suits both traditional and contemporary home décor.
